Story:

Father Malcolm is a Catholic chaplain working at Miskatonic University. He is an old and treasured colleague of Rupert Merriweather.

Father Malcolm is a very cheery, positive person. Sometimes he lets his positivity blind him to the bad things that happen around him.

While he does have some training in matters arcane, as a matter of his theological studies, he is far from being an occultist. He generally believes that these tales are metaphors for God's power in the universe.

Father Malcolm is also an avid runner and rower.

Father Malcolm has been approached by Bertrand Merriweather, Rupert's estranged son. Apparently his old friend, who has been ailing, has requested he come visit him at St. Mary's on Thursday at 1:00 pm. Of course he will come, and perhaps bring the Lord's mercy with him.

Stunts:

Indomitable (Will): +2 to defend against Provoke attacks specifically related to intimidation and fear.

Psychologist (Empathy): Once per session you can reduce someone else's consequence by one level of severity (severe to moderate, moderate to mild, mild to nothing at all) by succeeding on an Empathy roll with a difficulty of Fair (+2) for a mild consequence, Good (+3) for moderate, or Great (+4) for severe. You need to talk with the person you're treating for at least half an hour in order for them to receive the benefits of this stunt, and you can't use it on yourself. (Normally, this roll would only start the recovery process, instead of changing the consequence level.)

Best Foot Forward (Rapport): Twice per session, you may upgrade a boost you receive with Rapport into a full situation aspect with a free invocation.
